

MAGNATECH LED
Simply brilliant

Octolite-H® Corn Bulb

Description

The Magnatech Octolite range of CORN bulbs is designed to replace incandescent, CFL and HID lamps in a variety of applications. The 12-sided design ensures even light distribution through 360°. The internal fin type heatsink ensures cool running and long life. All Octolite-H lamps incorporate internal cooling fans. Available from 20W to 120W in various fittings including E27, E40. Suitable to replace 300W to 400W HID lamps.

Avantages

- ✎ Maintenance free ;
- ✎ No UV radiations
- ✎ Energy savings up to 80 %
- ✎ Highly resistant to vibrations and shocks

Applications

Industrial Areas
Warehouses
