

MAGNATECH LED
Simply brilliant

eColite® Tube

Description

The **eColite®** Tube has been designed to fit perfectly the size of traditional neon and its 18W version replaces 35W tubes.

Its «daylight» color is particularly appreciated by supermarkets and public areas concerned by their clients comfort.

The **eColite®** Tube also exists in a «high ceilings» version for larger areas and has several options: PIR; movement, microwave sensors...

Advantages

- ✔ 50% of electricity saving
- ✔ Saves installation of starter
- ✔ Adapts to existing installation
- ✔ Visual comfort : no blinding or flashing
- ✔ Resistant to vibrations with its brushed aluminum structure
- ✔ Lights up instantly

Applications

- ✔ Indoor area
- ✔ Stores
- ✔ Offices
- ✔ Large indoor areas
- ✔ Health areas
- ✔ Industrial areas
